New DCPS Middle School Survey

DCPS is opening a new middle school in School Year 2028-2029 at 800 Euclid St NW. The building will undergo a two-year modernization. Plans for the modernization were presented to a community working group on Jan 7, 2026 - you can find materials from that presentation at dcpsplanning.com.

This survey asks for your feedback on draft plans for the modernization, specifically colors, use of space, and overall impressions. Please take a few minutes to complete the survey and give feedback.

Go to [New Middle School on Euclid St: Plans for the Modernization – Fill out form](#) to complete survey or use the QR code.

Picture Day: Save the Date

Freed Photography will be at Cooke on January 29th for picture day! Please save the date. We will send out more information about package prices as it gets closer.

SY25-26 Impact Aid Survey

The SY25-26 Impact Aid Survey is available starting November 10, 2025. Each year, DCPS asks all families to complete the Impact Aid survey to generate additional federal funds for DCPS. This year, the surveys will be fully electronic using the Seamless platform. All eligible applications received by December 19, 2025, will be submitted as part of the initial application due on January 30, 2026. Using the surveys linked below, all DCPS families should complete one survey per child, not household, in their preferred language. While December 19th is our initial deadline, families will have until April 30, 2026, to complete the survey. All additional eligible surveys will be included in our application amendment due June 19, 2026.
